BIO

Julien along with his partner Eddie Compass IV founded Next Gen Logistics in 2015. It is a multi-faceted Marine Transportation company with the eventual goal of becoming the standard in the maritime industry. Julien's passion for the safe and efficient shipment of cargo led him to this endeavor. Through his deep and various industry contacts Julien intends for Next Gen Logistics to be the FIRST call when it comes to moving any and all types of bulk cargo.

Julien graduated from Louisiana State University, earning a degree in Business Management with a concentration in Entrepreneurship. Upon graduation he entered his family's business, gaining over ten years of experience in business management, sales, customer relations, and business development. "In that time, Julien helped grow the company by over 25 %

OPERATIONS

Utilizing his long-standing maritime relationships, Julien helps execute Next Gen's vision, which is to grow into a well-respected member of the marine transportation industry.
